Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please hear my strong opposition to the proposed combination of the land surveying and engineering boards. Both of these professions require diligent and expert regulation that a combined board can't provide.

Any Alternative or New Recommendations on This Agency: I recommend that the Texas Board of Professional Land Surveying be given the opportunity to address the concerns listed in the Sunset Staff Report and remain an independent licensing agency.

My Comment Will Be Made Public: I agree
