Your Comments About the Staff Report, Including Recommendations Supported or

Opposed: I am writing to bring awareness and state my deep concern on the extraordinary and unreasonable length of time that it is taking to receive LPC intern licenses issued. I have been waiting since mid November of 2017 and after payment has been processed. I have deep concerns about what this means for the profession as a whole, for clients, and for my livelihood.

Any Alternative or New Recommendations on This Agency: I recommend that more personnel be hired or there be a 4-6 week mandated turn around time max for receiving issued documents and correspondence from this office.  
Thank you.
