State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

My name is Jeremy Corbin. I am currently a DPT student at University of Mary Hardin-Baylor, graduating class of Dec 2017. Although I am just a student, I can see the importance in following current events in the field of Physical Therapy. While representing myself as a future DPT, I strongly support the Sunset Commission's recommendation that the Texas Board of Physical Therapy Examiners join the national Licensure Compact. Once I graduate and pass the licensure requirements, being able to practice in other states without having to go through each individual state-based licensure requirements would be of great benefit to myself and many other PT's. There are many different physical therapy opportunities that would then become available to new PT's as well as current ones looking to take their skills to other areas. I believe this would be a very beneficial law for Texas and other states wanting to join.

Any Alternative or New Recommendations on This Agency: N/A
