Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Hello. I would like to voice my opposition to abolishing the Texas Licensed Breeders Program. One thing Texas is known for that we should not be proud of is our treatment of and lack of response to the welfare of our animals.

Breeders that are out to make a quick dollar are a huge part of our issue with animal cruelty, overcrowded shelters and high euthanasia rates; even with this program, the greediest and most uncaring are not fettered ....

without it, you are basically endorsing a life of cruelty for our canines.

Dogs are friends, hunters, partners, helpers - they are not just another thing to pimp out and mismanage. Society can be judged on how they treat those with no voice. I speak for them, please act for them.

Thank you.
