Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: There is no legislation that can be crafted to make this agency operate to protect children. Senator Nancy Schaefer of Georgia, lost her life in an attempt to expose what this agency is all about. It is built on a system drafted up by the Mondale Act, written by Hilary Clinton in the 70's.

It is purported to protect children, when in essence it was set up to destroy the American Family. The Adoption Bonuses added by Bush, just made the system even more corrupt, as there is no money for the state if it keeps the children in the biological family. The federal funding dollars that are poured out following a parental termination are enormous. The adoption bonuses are not distributed out as mandated in all cases, but kept by the state. This is child trafficking. More children are abused in foster care than with bad parents. DO WHAT IS RIGHT. SHUT IT DOWN.

Any Alternative or New Recommendations on This Agency:
SHUT IT DOWN

Please educate yourself: Most of you do not know, and do not care what happens to these children.
