Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am writing in regards to the state licensure for the Dyslexia Therapist or Practitioner. Please keep it! As a mother of a dyslexic and a teacher for 48 years, it is greatly needed! A thoroughly trained and licensed therapist carries credence and knowledge to the child, parent, and schools. This need is great! There was nothing available in the schools that worked for my son and all the sons/daughters of Texas deserve the right to learn with a specialized and proven method. The high standard of licensure assures these students of receiving a method of instruction of high quality and great results. Please keep the licensure for the Dyslexia Therapist/Practitioner as a part of Texas's goal to educate ALL students.

Any Alternative or New Recommendations on This Agency: Keep the licensure Dyslexia Therapist or Practitioner for the state of Texas

My Comment Will Be Made Public: I agree
