Your Comments About the Staff Report, Including Recommendations Supported or Opposed: simply ring of kidnappers for profit. ive attempted every aspect get attention all way to congress,and honestly if you truely wanna see how corrupt it is simply take 10 mins review some this case. too much list but start with after attempting have cps investigate daughters mom during weekend visit my 14 yr old daughter began sexual relationship w 20 yr sex offender(3rd documented offender) found that residence. after turning drugs cope i asked for help which tuned into illegal drug test and daughter taken. completed rehab yet mother left 3 days after enter. daughter is at moment in that same residence and i still get no visits. paperwork from court filled w inaacurate and times several versions of event. no neighbors or the 13 police officers with relavent info ever questioned. daughter will fail for first time this years and ive got 30 plus emails of disciplinary etc actions school taken yet nothing can be done. final plea offer n court to get my signature never followed and so many violations of their own standards by their guidelines could talk all day. if you truely are attempting make difference and right some wrongs this is case needs some attention. i compliled at moment over 6 ,4 inch folders of info,guidelines violated and so much evidence its sickening. please show someone cares about justice and simply take a peek and you will be shocked. each time i attempted reveal i get letter states investigated and its all by book,which simply must how if nobody with relavent info ever questioned and if police reports i pulled contridict cps paperwork
