Agency name: Environmental Quality, Texas Commission on

Response to staff report: The Coalition for Equitable Water Rates (CEWR) represents a significant number of customers served by a commercial investor owned utility company, Canyon Lake Water Service Company( a wholly owned subsidiary of San Jose Water Company). We support and recommend adoption of the Sunset Commissions' report on "Water and Wastewater Utility Regulation Transfer(Supplement to Sunset Staff Report on the Public Utility Commission)". We believe it is in the best interest of customers that the Public Utility Commission oversee utility water rates.
