Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Puppy mills are horrendous. I adopted a dog who had previously been in a puppy mill. She was not socialized and terrified of everything. After having her for many years, her reactions to people improved but she has hip dysplasia caused from her numerous pregnancies. No animal should be kept in small cages and only valued for their offspring.

Any Alternative or New Recommendations on This Agency: Emphasize the need to adopt/rescue instead of buy.
