Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I do not believe just any hair stylist can teach. I believe getting your instructor license is important. Not every stylist is ready to teach, having the instructor program gets the stylist prepared to teach and helps to see if they would like it. Also helps with recommendations for jobs, and shows the difference between a stylist and a cosmetology instructor. I could see the pay scale going down as well. I do not see how this will benefit our industry.

Any Alternative or New Recommendations on This Agency: Continue with getting instructor license.
