Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

I disagree with the Texas Sunset Advisory Commission staff recommendation to abolish the Texas Board of Professional Geoscientists and licensed P.G.s.

As an archaeologists, I rely on licensed P.G.s for detailed and reliable geological and scientific work.

This required skill set is not available in any of the other professionals that I utilize for projects.

My consultant's work must stand up in court, so a P.G. must seal it.

Sincerely,

Cody S. Davis, RPA
AR Consultants, Inc.

Any Alternative or New Recommendations on This Agency: none, we need to keep the P.G. Thats all.

My Comment Will Be Made Public: I agree
