Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I would like to claim support of all the Sunset Staff recommendations on Cash Law 3.2. Government should not be in control of private transactions. Additionally distributors currently get paid in cash from retailers, but can purchase from manufacturers on credit terms. Lastly extending credit between tiers provides a "thing of value" to another tier, which is prohibited under the Alcohol Beverage Code.

Any Alternative or New Recommendations on This Agency: N/A

My Comment Will Be Made Public: I agree
