To Mr. Ken Levine  
Director  
Texas Sunset Commission

Dear Mr. Levine:  
Thank you for your service  
to the the state of Texas  
as Director of the sunset  
commission.  
As a health care  
professional with

experience with mental health patients I am appalled that funding would be withdrawn from this vulnerable population.

Please use your influence to keep NorthStar available to those who need it.

Sincerely,

Donna Davis EdD RN
