Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I don't have enough information on how this structure would work if we did combine TBPLS with the TBPE. I do know that I am opposed to just having one voice within our profession that would speak for us and the power one person would have to control our profession.

Any Alternative or New Recommendations on This Agency: I think the better solution would be to work on improving our current Board and procedures, to remedy the concerns of the Sunset Staff, instead of starting over with a new system.

My Comment Will Be Made Public: I agree
