Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Dogs are pets and should not just be kept in cages, they should be loved and cared for, they are not cattle to be herded around. We need to protect these animals to the best of our ability.

Any Alternative or New Recommendations on This Agency: All dog breeders with more than 10 females should be visited at least once a year for health and safety!

My Comment Will Be Made Public: I agree
