Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I didn't see anything pertaining to health insurance. In my experience TRS was not working in my, and I'm sure others from what I've heard, best interest. They just changed back to Blue Cross for 2020-2021 year but we have yet to see employee prices. They normally refuse to review other companies when an employee questions rate increases and those increases exceed any pay at increases. We're in the negative as members. They seem hesitant to review insurance options on a yearly basis as they should to look after it's members.

Any Alternative or New Recommendations on This Agency: Work truly for the members and let us see it.
