Your Comments About the Staff Report, Including Recommendations Supported or Opposed: As a retired child care licensing representative for 25 years, I believe that in addition to current state employees, retired members need representation on the ERS Board of Trustees. These days Equity is a desired principle in all Texas State Agencies. Retirees gave many years of service to the State of Texas forgoing the usual cost of living increases, comparable salary in the private sector and/or remuneration for exceptional performance. Our voice needs to be included in the ERS Board of Trustees.

Any Alternative or New Recommendations on This Agency: I believe the only alternative on this agency is to promote inclusion of retirees.

My Comment Will Be Made Public: I agree
