Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please protect animals, we have to fight for them. Backyard breeders are simply "trash" who refuse to work, breed animals over and over and never give the actual breeders any kind of medical care. PLEASE... please protect animals and DO NOT allow backyard breeders to exist!! PLEASE.

You have to notice D O G G O D . We were given pets to protect and be companions. Have a heart.... DO NOT ABOLISH Texas Licensed Breeders Program.... please.

Any Alternative or New Recommendations on This Agency: Keep the TLB Program and then start on doing away with kill shelters. NO KILL SHELTERS are a must!!

My Comment Will Be Made Public: I agree

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Please STOP puppy mills. All they are, is a worthless person's way to make money. They are too damn lazy to work, buys dogs and breed them over and over and over. They never care for the adults, they are never given veterinarian care, they are simply a way to make money. PLEASE, STOP THIS HORRIBLE way for animals to have to live, cooped up in a cage, no human interaction, no compassion...only being bred over and over and then having their babies ripped from them.

Any Alternative or New Recommendations on This Agency: Please stop all puppy mills
