Your Comments About the Staff Report, Including Recommendations Supported or Opposed: It is essential that Professional Counselors and Social Workers be associated with Psychologists.

Any Alternative or New Recommendations on This Agency: It took 6 months for my actual license (LPC-I) to be approved and issued. I could have been working in July 2017 but for the lack of this license and now I am still looking for a job. The department that vets and processes licenses is understaffed and overworked. If I could, I would go and help them.

Counselors are needed. Full time. And, without a license that is impossible.

My Comment Will Be Made Public: I agree
