Your Comments About the Staff Report, Including Recommendations Supported or Opposed: As a family member and a Dad who has a youth that has mental health diagnosis I am apposed to issue 13 in the Commissions report it destroys everything positive from TIFI since 2003 and kills my voice as a family member.

Any Alternative or New Recommendations on This Agency: Yes learn and promote all the values of Systems of Care, I hate to say status quo but leaving things alone is better than wasting 11 years of work to better the lives of my children and my children's children I appose recommendation of Commission and I am a registered voter.

My Comment Will Be Made Public: I agree
