Your Comments About the Staff Report, Including Recommendations Supported or Opposed: OPPOSED to the breeder program. These animals are bred repeatedly, locked in a cage in disease and filth, unloved and uncared for. These people use the animals for a money source while these animals live in pure hell.

Imagine yourself inadvertently filthy cage your entire life being bred over and over again until you can no longer breed then are disposed of! Should make your decision very easy

Any Alternative or New Recommendations on This Agency: Stop letting people legally breed these animals. It is pure hell for these animals that never know a day of love or care while animals in shelters are euthanized. PLEASE be part of the solution not the problem.

My Comment Will Be Made Public: I agree
