Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Puppy Mills need to be stopped. Too many innocent animals are left behind with irresponsible folks cashing in on these pups that are not properly cared for. Neither are they sold to qualified people. Some maybe. Too many go loose because they realize they didn't want the animal due to cost to care for properly. Or they didn't end up liking the breed. Then we end up with roaming animals being neglected and causing unwanted future pups. It can never end if we don't control these mills.

Any Alternative or New Recommendations on This Agency: Not at this time.
