Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am a Texas Licensed Auctioneer and suggest and request the current Auctioneer License and requirements for the license remain as they are. The license offers oversight and protection for the public/buyer and legitimizes the status of being a Texas Auctioneer and/or Auction Company. There are many supportive reasons for the licenses in relation to the consumer and far too few without. Thank You.

Any Alternative or New Recommendations on This Agency: Not at this time
