Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to closing any state school my girlfriends brother is located at the Richmond School State in Richmond, TX and they have been very attentive to his needs. He would not be able to live in a group home. A group home doesn't offer the one on one care that he needs and a group home is very debatable on the care they give their clients. Please reconsider closing any state supported schools.

Any Alternative or New Recommendations on This Agency: Please do not give funding to group homes. Use it for the state supported living centers only.

My Comment Will Be Made Public: I agree
