Subject: Public Input Form for Agencies Under Review (Public/After Publication)

Agency: TEXAS DEPARTMENT MOTOR VEHICLES TDMV

Last Name: ELLIOTT

Organization you are affiliated with: Save the Texas Dune Buggy, Sandrail and Kitcar

Email:

State: Texas

Your Comments About the Staff Report, Including Recommendations Supported or Opposed: It is my opinion that the TDMV has overstepped its authority in the issue of revoking title registration on Dune Buggies with no warning or reason. It is also my opinion that the TDMV is not willing to provide an antequate audience to our concerns. I am a Texan born and raised in this great state for 69 years. The Dune Buggy has been around since the 60's. My Dune Buggy has been inspected, titled, registered and of course, insured to drive safely on Texas roads and freeways. It is my prayer that your commission will look upon this matter and provide relief from an agency that has gone beyond its boundaries of authority. That is my opinion, that is the way I feel. There is a fair solution to this issue. Thank you for you time.

Any Alternative or New Recommendations on This Agency: If the TDMV has concerns they need to be know in the issue of the Dune Buggy. A new category needs to be added to cover the Dune Buggy. This issue not only effects the Dune Buggy owner who has spent a great amount of time and money, but countless business that cater to this type of vehicle.

My Comment Will Be Made Public: I agree
