Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The consolidation of departments doesn't seem like it is really going to improve things. I'm not trying to be negative but having staff remember more guidelines for different departments while not actually increasing the number of staff, does nothing for the current wait time. You need more staff in the counseling department end of story.

Any Alternative or New Recommendations on This Agency: Keep things the same of go ahead with the switch but hire new employees.
