Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I'm going to make this short and to the point. In my area alone, Midland and Odessa, hundreds of dogs are euthanized every month. Most of these dogs have come from backyard unlicensed breeders and ignorant greedy people unwilling to spay and neuter and are only looking to make a profit over the quality of life for the dogs. I myself have rescued many of these dogs who have been abused, dumped and way over bred! This crime has to stop!!

DOG LIVES MATTER

Any Alternative or New Recommendations on This Agency: I OPPOSE the recommendation to abolish the Licensed Breeders Program
