Your Comments About the Staff Report, Including Recommendations Supported or Opposed: They do a fantastic job in making sure plumbers are tested to a high level and make sure they understand the importance of there work. Losing the board will affect the plumbing industry greatly. Not only decreasing the skill set and therefore safety of the public. The plumbing board is crucial to maintaining high standards in texas.

Any Alternative or New Recommendations on This Agency: Fund the board better allowing more employees for quiker test dates and enforcement. But do not dissolve the board
