Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

My name is Wayne Fraleigh and I am the COO/VP of Operations for Therapy Services at Memorial Hermann. I have been in practice in TX for approximately 3.5 years. I am representing only myself as a PT Professional. I am in SUPPORT for the TX Board of Examiners to join the national licensure compact.

Living in 4 states in the past 6 years, it is a cumbersome process that may take away from patient care due to state-based guidelines. By standardizing criteria and processes, it will allow therapists to move from state-to-state without having to jump through unnecessary hoops.

I am OPPOSED to the recommendation to strip the CCAP program away from the TPTA and TBPTE. From my understanding and experience, these two organizations have highly qualified professionals and experts within the therapy profession to provide public protection.
