Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I strongly support the recommendation to remove the Annual Facility License Fee for OT and PT clinics.
It is truly a small business "tax" with no benefits to the clinic or public.

Any Alternative or New Recommendations on This Agency: I recommend that a time limit be placed on the
declaration of disciplinary action taken against a therapist that is attached to the therapist's license when the charge
was not detrimental to public health. For example, if a therapist has 30 CEUs, but 3-4 hours were not approved.
The disciplinary action is forever attached to the therapist's license resulting in continued punishment throughout
that therapist's career.

My Comment Will Be Made Public: I agree
