Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

I most certainly oppose eliminating the ruling against the breeders who run puppy mills in Texas and throughout the country.

Puppy Mills are among many other abusive animal practices that exploit our companion animals out of greed.

Please continue the program against Puppy Mills.

Thank you.

Any Alternative or New Recommendations on This Agency: The Sunset Commission must continue to monitor the programs that benefit the companion animals and take action when and where necessary.
