Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I completely support chiropractic care and absolutely do not feel that I, or my clients, need any type of MD referral for my care. As a small business owner that supports childbearing women, chiropractic care is vital to their wellness! We absolutely love our chiropractors and fully support their current practices.

Any Alternative or New Recommendations on This Agency: Allow the individual chiropractors to run THEIR practices as they see fit. Their services do not need to be micromanaged by an MD referral, especially considering that western medicine knows/understands/applies very little holistic approaches to health!

My Comment Will Be Made Public: I agree
