Your Comments About the Staff Report, Including Recommendations Supported or
Opposed: I strongly oppose the abolition of the Licensed Breeder Program.

Without this safeguard, we'll be back to the bad old days of puppy mills--resulting in animals who are injured before they're even born, owners who end up with animals who will have expensive, long-term physical issues. I adopted a husky who came from a puppy mill and I saw first-hand the effects puppy mills.

Any Alternative or New Recommendations on This Agency: None
