Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to consolidating the PT and OT boards into the TDLR. I feel it would put patients at risk in getting safe and proper care if non-health related fields, or those not clinically-based, are making decisions on how therapists should practice.

Any Alternative or New Recommendations on This Agency: Keep the current boards intact or consolidate the PT and OT regulatory boards together.

My Comment Will Be Made Public: I agree
