Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I oppose the dissolution of the tsbep, I feel as though it is too specific to include under review of a larger board. Specifically for my area of practice, it is important to have a board that includes members of my specific group, that can focus on the practice in the area of psychology and school psychology.

Any Alternative or New Recommendations on This Agency: Continue tsbep

My Comment Will Be Made Public: I agree
