Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am in favor of combining the Cosmetology and barbering programs, however I am wholeheartedly opposed to item #3, the elimination of instructor licenses. The recommendation is so absurd I actually thought I was reading it wrong! I teach our student instructor program and know for a fact just how much these students DON'T know about teaching when they first begin our program. I can't even imagine what it would be like if they tried to do it without any education. They may be experts in the field of Cosmetology, but not even close in the field of teaching.

Any Alternative or New Recommendations on This Agency: Yes, get recommendations for the committee from actual experts in the field.
