Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

The Prepaid Higher Education Tuition Program is one of the best programs the State of Texas has ever had for it's children and parents. Being able to lock in a price for college while our children are young is amazing. It helps to ensure that more children will have the opportunity to go to college if they decide to or a great trade school such as TSTC.

Thank you.

Steve Fryar

Any Alternative or New Recommendations on This Agency: Use a Texas based firm if possible to be the administrator of the program.
