Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Closing any of the SSLC is so wrong. I cannot say enough "good" things about the Abilene SSLC where my sister lives. My sister has lived at this facility for years and she has done well. I would rather see the various state supported living centers consolidated so the residents can continue to receive the care they currently receive than being moved into individual homes in the community. Please work hard to keep the centers open for these special needs individuals.

Thank you.

Any Alternative or New Recommendations on This Agency: Consolidate living centers to accommodate patients who require 24 hour care.
