Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Please reconsider your decision to eliminate the Texas Board of Professional Geoscientist (TBPG). I am proud to be licensed by the TBPG.

Thank You, Mark Gallagher License No. 2484

Any Alternative or New Recommendations on This Agency:

1. Give geologist greater over site in recommending board members. The problem with the TBPG is that it is not connected to the professionals they regulate.
2. Survey the licensed geologist in Texas to see if they want the TBPG to continue.
