Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am for a more united Board system, however I believe what's most important is the supervision of our Board's and their conduct while making decisions that can affect our livelihood. Perhaps with this cohesion, there will be more people involved to make sure that our State licensing Boards are equally as ethical as they require us to be

Any Alternative or New Recommendations on This Agency: More education and responsibility for Board members

My Comment Will Be Made Public: I agree
