Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

Taking away our Cosmetology Instructor licence would be insane . who would teach students. Also by taking away our licence we would not even be able to do hair at ALL. Due to Cosmetology Instructor licence over rule operators licence, years ago TDLR made it were we didn't have to purchase both licence. So by taking our Instructor licence away. We can't teach or even work in a hair salon. Please think about what your doing for all cosmetology or barber instructors. Think about this how would it make you feel to not be able to EVER do your job again because someone tells you that you can't.
