Your Comments About the Staff Report, Including Recommendations Supported or Opposed: My understanding is sunset review would like to have me take time to input my daily use of scheduled drugs to a govt service. I would like to maybe add each time we use the toilet so the govt can monitor our water usage. We should increase govt inspections to monthly or weekly as well. please more govt interference!

Any Alternative or New Recommendations on This Agency: convict those who abuse their drugs and shoot feral or neighbor's cats with arrows in their yard and leave the rest of us alone.

My Comment Will Be Made Public: I agree
