Your Comments About the Staff Report, Including Recommendations Supported or Opposed: Regulations and licensing need to be stricter. Bad breeders are dumping their rejects in The streets costing tax payers money. Just stop !!!!

I dream of the day when rescues organizations become obsolete. And the volunteers can spend more time with their families and not cleaning up breeder dumps ! I've transported, fostered, fund raised, breeders dumps.

Everything from Great Danes to coton de tulier. Do not loosen restrictions.

We need tighter regulations. Stop irresponsible breeders !

Any Alternative or New Recommendations on This Agency: Tighter restrictions should be in place to help reduce the homeless stray population and euthanasia rates in shelters. Why make more when so many are being killed in shelters?

My Comment Will Be Made Public: I agree
