Your Comments About the Staff Report, Including Recommendations Supported or Opposed: to remove any kind of education that is fundamental to proper training and by no way has become obsolete is senseless. Please don't undermine our education and our passion by allowing all who do this as a hobby with no investment in education of our trade to do away with our licensing as cosmetology instructors because this is just a stepping stone to do away with our cosmetology licensing in the near future.

Any Alternative or New Recommendations on This Agency: When it comes to trying to eliminating any kind of careers put it up for voting to those who hold those titles.
