Your Comments About the Staff Report, Including Recommendations Supported or Opposed: As a retired educator, I know we have lost too many young people to unknown heart conditions. Screening all students will save heartache and grief as well as lives. There is no logical reason not to do it. Any parent will tell you their child deserves it.

Any Alternative or New Recommendations on This Agency: During my career as an educator, I have seen many students die from undiagnosed heart conditions. There is no logical reason not to screen. Any parent will tell you their child deserves the chance for a long life.

My Comment Will Be Made Public: I agree
