Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I work in an outpatient orthopedic and sport setting. It is vital that our licensing board be composed of similar professionals with the same medical knowledge or healthcare experience. Our PT board is just that. To place our profession into this "health professions" section of TDLR would not be advisable.

Any Alternative or New Recommendations on This Agency: Keep our PT board.
This would allow advisors with the same education and experience make appropriate decisions.

My Comment Will Be Made Public: I agree
