Your Comments About the Staff Report, Including Recommendations Supported or Opposed: The sunset commission needs to keep the licensed breeders program!
How many horror stories do we have to hear about breeders keeping dogs in inhumane conditions and how many tax dollars are used by animal services to have to rescue those animals!! Someone needs to regulate these horrible human beings if you're going to allow them to continue.

Any Alternative or New Recommendations on This Agency: We need to make even more strict regulations if people want to become breeders and be licensed
