Your Comments About the Staff Report, Including Recommendations Supported or
Opposed:

I support the creation of the BHEC.

I oppose the classification of professional appointees on the BHEC as ex officio members; they should have full voting privileges

The TSBSWE is not operating efficiently & effectively under HHSC, and would benefit from more money to operate more efficiency with more timely response and attention to needs, questions, and concerns of licensees; ultimately providing more safe services for clients.

Any Alternative or New Recommendations on This Agency: The BHEC should be made up of nine voting members – one public and one professional from each of the four boards, with a final public member appointed by the Governor.

My Comment Will Be Made Public: I agree
