Your Comments About the Staff Report, Including Recommendations Supported or Opposed: I am opposed to eliminating the cosmetology Instructor license. As a former teacher, I know the training needed to provide students with the skills necessary to be successful. Cosmetology isn't just about cutting or coloring hair - there is so much more to know- chemical effects of the products used are of the most important. While I don't object to combining the barber and cosmetology licenses, I do believe the minimum requirements of grade level should be high school diploma

Any Alternative or New Recommendations on This Agency: Bring the barber license requirement up to level of cosmetology licensees

My Comment Will Be Made Public: I agree
