Your Comments About the Staff Report, Including Recommendations Supported or Opposed:

1.) Consolidating the Barber and Cosmetology license- Opposed!

Each program allows for individuality and needs to remain two separate entities.

These need to remain separate.

2.) Eliminate all Instructors license- Opposed!

Proper training is the foundation to our industry. A teacher must learn to teach. There are many key important factors that go into the skill of training others.

3.) Eliminating all wig related license- Opposed!

An individual should have extensive training in safety, sanitation and disinfection for the health of the clients and the stylist; as well as knowledge of scalp disorders and diseases.

Any Alternative or New Recommendations on This Agency: Cosmetology is a huge industry within TDLR that generates a large sum of money. Let us have our own entity or allow us to make a new Cosmetology Commission that has individuals with experience in the beauty industry to handle day to day operations of Cosmetology.
